			<b>SUBTOTAL</b>				<b>6</b>
						<b>TOTAL</b>	<b>36</b>

\* The manual for my car indicates that the Pillar Interior light is a 989 Bulb, but the fixture is a festoon bulb fixture; therefore the light is listed under the 254 Bulb.

\*\* Bulb information is taken from www.autoelectricalspares.co.uk website. Six volt original bulbs seem to universally be 5 watts with current stock.
