Subject: Re: [#93805] - Castrol Product Inquiry

Thank you for contacting Castrol North America.

The Ford spec WSS-M2C925-A and Ford spec WSS-M2C925-B are covered by Castrol EDGE Professional OE 5W-20 however Castrol EDGE Professional OE 5W-20 has been discontinued as of January 1, 2021.

Most Jaguar and Land Rover retailers have already switched to Castrol EDGE Professional E 0W-20 or Castrol EDGE Professional EC 0W-20 which are both backward compatible to any engine (AJ 126, AJ 133) that required Castrol EDGE Professional OE 5W-20.

Castrol EDGE 0W-20 E or Castrol EDGE 0W-20 EC are also backward compatible to any engine that required Castrol EDGE Professional OE 5W-20 and are available in retail stores.

Please contact Jaguar or Land Rover Customer Care for further assistance.

Thank you again for contacting Castrol, we value your patronage!
