

Table 11 WDS Configurable Features

Feature	X100	X308	X350	X200	X204	X400
Security / Locking						
Glass Break Sensor Enable	x					
Passive arm enable	x	x	x		x	x
Reset the security system using the key						x
Inclination sensor enable	x	x	x			x
Intrusion Sensing enable		x		x	x	
Audible chirp on arm / disarm	x	x		x	x	
Audible chirp on second button press			x			
Battery backed sounder enable	x	x	x	x	x	x
Turn signal flash on error			x			
Error warning enable		x	x			
Superlocking chirp enable		x	x			
Intrusion sensor sensitivity		x				
Horn operation during alarm enable	x		x	x		x
Sounder operation during alarm enable	x		x		x	
Automatic locking with re-lock						x
Automatic locking					x	x
Automatic relocking enable			x			x
Passive arming delay (time)	x	x				
Passive immobilization enable	x					
Side and tail lamp flash during alarm enable	x					
Side and tail lamp on during alarm enable	x					
Headlamp flash during alarm enable	x					
Turn signal flash during alarm enable	x		x			
Key barrel disarm enable	x			x	x	
Key barrel arm enable	x					
Central locking enable				x		
Passive arming on central locking enable	x					
Active arming enable	x					

CONTROL MODULE PROGRAMMING

Feature	X100	X308	X350	X200	X204	X400
Single door unlocking with the key						x
Single door unlocking with the remote						x
Driver's two stage locking enable	x			x	x	
Driver's slam locking enable	x					
Driver's superlocking enable	x					
Passenger's slam locking enable	x					
Passenger's superlocking enable	x					
Alarm duration (time)				x		
Security enable				x		
Remote enabled with key-in enabled				x		
Number of remote transmitters programmed				x		
Number of button presses to release the trunk						x
Convenience Features						
Driver's door glass one touch up enable	x					
Passenger's door glass one touch up enable	x					
Remote memory recall enable		x	x			
Passenger's mirror memory movement enable	x					
Driver's mirror memory movement enable	x					
Remote locking enable			x			
Remote panic alarm enable	x	x	x		x	
Remote luggage compartment lid release enable	x	x	x		x	
Remote headlamp convenience enable	x	x	x			
Drive away door locking enable	x	x		x	x	
Seat entry/exit enable		x		x		
Drip wipe enable	x	x	x			x
Fold flat mirror enable	x		x			
Automatic mirror fold enable			x			
Passenger mirror dip in reverse enable	x		x			
Driver's mirror dip in reverse enable			x			
Reverse park control enable				x		
Parking aid activation speed threshold				x		

CONTROL MODULE PROGRAMMING

Feature	X100	X308	X350	X200	X204	X400
Parking aid de-activation speed threshold				x		
Front parking aid sensors enable				x		
Rear parking aid sensors enable				x		
Parking aid system enable				x		
Reverse warning enable				x		
Power column enable				x		
Driver's memory seat movement enable	x			x		
Column memory movement	x					
Global closing enable					x	
Remote global open enable			x	x		x
Global closing enable			x			
Global closing request by key						x
Driver's remote door glass close enable	x					
Passenger's remote door glass close enable	x					
Key-in audible warning	x					
Dual electronic climate control moisture purge					x	
Double lock horn chirp					x	
Miss lock horn chirp					x	
Ambient temperature display enabled						x
Convertible						
Convertible Model?	x					
Convertible top movement at speed enable	x					
Convertible top movement at speed limit	x					
Lighting						
Turn signal repeater enabled		x		x		
Front fog lamps inhibited with high beam enable	x	x		x		
Rear fog lamps inhibit enable				x		
Daylight running lamps mode	x	x		x		
Daytime running lamps enabled			x		x	
Windshield						

Feature	X100	X308	X350	X200	X204	X400
Rain Sensing enable	x	x				
Heated wiber rest area enable				x		
Heated windshield enable				x		
Other						
Trailer fitted				x		
Transmission control module vehicle (saloon / sedan)						x
Language/Country						
Horn audible chirp configuration						x
Speed Control selection (units)	x					
Fuel economy units			x	x	x	x
US or UK gallons			x	x		x
Instrument pack display language			x	x	x	x
Climate Control module						
Pollen filter fitted / not fitted	x	x				
Audio System						
Instrument pack with message center fitted			x			
Fitted with rear audio?			x			
Digital audio broadcasting?			x			
CD autochanger enable				x		
Cellular telephone enable				x		
Voice activation enable				x		
Navigation enable				x		
In car entertainment system				x		
Safety Features						
Safety belt minder configuration			x			
Safety belt reminder			x	x		
Safety belt warning indicator timeout enable				x		
Overspeed warning				x	x	x
Speed Control						
Speed control enable				x
