

## Change of address confirmation

Your address details have been changed as requested.

If you hold a Transport and Main Roads licence or authority and have changed your residential address, you will be sent a label or labels with your new address to affix to each licence or authority.

You should contact Transport and Main Roads if:

- you have not received your new label(s) within 10 working days;
- your vehicle's garaging address is different to your residential address, as you may need to provide proof of the garaging address.
