

Fig. 14 ENGINE DATA LOCATIONS

1. ENGINE TECHNICAL DATA:
Main bearing journal diameters
Connecting rod journal diameters
Cylinder bore diameters
Main bearing bore diameters
2. ENGINE SERIAL NUMBER
3. EMISSIONS CODE

NOTE:

Engine serial number location was moved to the rear of the block, coincident with changing from Nikasil to steel lined. All blocks with serial number 0008181043 and later are steel lined.

Table 4 Engine serial number example: 9704051158

97	04	05	1158
year	month	day	time
