Subject	Engine Oil Requirements	Models	All

To: All Authorized Repairers, National Sales Companies, Regional offices and Importers

For the Attention of: The Managing Director

Copies to: The Service/After-Sales Director/Manager
The Parts Director/Manager
The New Car Sales Director / Manager

Dear colleague,

The purpose of this letter is to outline the Jaguar Land Rover engine oil requirements.

Failure to use lubricants meeting the required Jaguar Land Rover engine oil specification (see table below, for latest information always refer to the vehicle handbook and in TOPIx) may result in mechanical breakdown.

Castrol EDGE Professional, meeting the Jaguar Land Rover specification, is mandated for use during a warranty repair (manufacturing and extended), and campaigns. Castrol oil is also mandated for all work carried out under:

1. Service packages / plans where Jaguar Land Rover has agreed an oil allowance.
2. All work carried out in relation to vehicles financed by Jaguar Land Rover or Jaguar Land Rover's associated finance company, and where the use of non-mandated oil could adversely affect their residual interest in the vehicle.
3. Any other cases where Jaguar Land Rover is directly or indirectly the 'paying customer'.

Castrol EDGE Professional has been jointly developed with Jaguar Land Rover and is the only engine oil exclusively recommended by Jaguar Land Rover.

To order Castrol EDGE Professional engine oil, or if you have any questions regarding pricing, minimum order quantities, lead-time, please contact your local Castrol representative or your local distributor.

Current Jaguar Land Rover Oil Specifications

Jaguar Land Rover Specification	Viscosity Grade	ACEA Oil Classification	Previous Specification
STJLR.51.5122	0W-20	ACEA A1/B1	N/A
STJLR.03.5003	5W-30	ACEA A5/B5	WSS-M2C913-C
STJLR.03.5004	5W-20	ACEA A1/B1	WSS-M2C925-A
STJLR.03.5005	5W-30	ACEA C1	WSS-M2C934-B

Yours faithfully

Rob Whisson
